The mission of the Snohomish County Business Watch is to promote a sense of community between local businesses in order to exchange ideas and improve business security practices, with the support of local law enforcement.

In 2013 we continue our training luncheons on preventing and responding to crime. Our first three trainings could be classified as “get me out alive!” and the last one as “and bring my money too!” We have a slate of dynamic speakers and topics that you won’t want to miss. Pick and choose which meetings you want to attend or attend them all!

Are you interested in sponsoring a training luncheon? As the SCBW is a federally-designated 501c3 non-profit; sponsorships are tax-deductible. Sponsors are invited to briefly speak to attendees about their business, and prominently displayed on our literature and website. For more information on sponsorships, or other membership questions, please email info@thescbw.org.
